

MAHESH DEVKOTA

COMPUTER ENGINEERING

ABOUT ME

I am a final-year Computer Engineering student with a strong interest in software and web development, along with web design and mobile app development. I have skills in C, C++, PHP, HTML, CSS, and JavaScript, and have developed a Movie Ticket Booking System, gaining hands-on experience in backend development and database management. I am eager to learn, grow, and apply my skills through an internship opportunity.

EDUCATION

2020-2022

**capital college and
research center**

NEB-science
kathmandu
